

Recreational Activity Release

FOR PARTICIPANT USE IN THE FIELD

Earthwatch encourages Participants to enjoy the planned team recreational activities. If you insist upon pursuing activities that have not been vetted by the project staff and/or Earthwatch, we ask that you sign the following, acknowledging your understanding:

I agree that I have (or my child has) elected to pursue activities that have not been approved or vetted by the project staff and Earthwatch.

I understand that I am (or my child is) assuming my own (or my child's) risk for this time period and that Earthwatch is not responsible for any incidents or accidents that may occur during my (or my child's) participation in these activities.

I also understand that such activities may not be covered by the travel medical insurance coverage provided by Earthwatch, and that it is my responsibility to notify appropriate project staff when I return to project activities and accommodations.
